FOR IMMEDIATE RELEASE

Announcing the 2018 Training Industry Top Training Companies Lists: Health and Safety Training Companies

Raleigh, NC – **August 16, 2018** – Training Industry, the most trusted source of information on the business of learning, released the 2018 Top Training Companies selections for the health and safety training sector. Training Industry prepares Top 20 reports on critical sectors of the training marketplace as part of its mission to continually monitor the market for the best providers of training services and technologies.

View the 2018 Top 20 Health and Safety Companies

Selection to the 2018 Top 20 Health and Safety Companies List was based on the following criteria:
- Breadth and diversity of health and safety training offerings
- Ability to deliver training in preferred modalities
- Company size and growth potential
- Geographic and vertical reach
- Quality of clients

"This year's Top 20 Health and Safety Training companies have proven to be leaders in the sector of compliance and regulatory training," said Ken Taylor, president of Training Industry, Inc. "These providers offer innovative delivery methods such as microlearning, simulations and virtual reality to reinforce learning across multiple industries. This list is an excellent resource for organizations to meet their health and safety training needs."

Please provide any thoughts or feedback on this list by emailing info@trainingindustry.com.
